Response to Office Action Dated February 23, 2005

This is a reply to the Office Action mailed February 23, 2005. Please enter the following amendments and remarks into the record.

Amendment to the Claims

The Examiner has correctly caught clerical errors in the Response.

Specifically, claim 26 is amended in the "Amendment of the Claims" section of the response, yet the limitation of "displaying . . ." is not shown as underlined to indicate added language. The same is missing from Claim 26 in the "Status of the Claims" section. This is apparently an error.
